THANK YOU TO OUR CONFERENCE SPONSORS:

(VENUE) Samford University Brock School of Business delivers lifelong business education to its constituents through teaching, scholarship, and relationships. It is a recognized leader and school of choice among institutions offering undergraduate and graduate business education informed by Christian principles. Brock School of Business is #1 in Alabama for CPA Exam pass rate, 99% of its students have job placement at least six months after graduating, and 97% of its undergraduates complete an internship. For more information, visit samford.edu/business.

(LUNCH) Stukent is a digital courseware provider focused on improved education through digital, up-to-date textbooks, real-world simulations and other instructional resources to help educators help students help the world. In addition to being named the #268 fastest-growing company in America by *Inc. 500*, Stukent is the company behind the DECA, FBLA, and BPA Social Media Marketing Challenges. For more information on Stukent's high school and higher ed courseware, visit stukent.com.

(BREAKFAST) Knowledge Matters is the leading provider of cloud-based, educational simulations for business and personal finance. Its Virtual Business line of simulations have been used in over one-third of all the high schools in the United States and its ProSim line of advanced simulations are used by leading universities globally. Knowledge Matters is also the company behind the DECA, FBLA, and BPA Virtual Business Challenges. For more information on Knowledge Matters' high school and higher ed courseware, visit knowledgematters.com.

(SNACK AND WATER) Applied Educational Systems is dedicated to helping teachers across the US preserve (or rekindle) that passion so they can do what they love while stressing just a little bit less. AES offers programs in business education, career readiness, and computer applications. In addition to being named one of *Inc. 5000's* fastest-growing companies in the United States, AES recently achieved a benchmark of serving one million students across the US. For more information on how you can bring AES to your classroom, visit aeseducation.com.

*Thank you for your dedication to business education.
See you next year!*
